The drawing of the Poomsae will be performed by the competition board on **Wednesday, 26th June 2024**, and will be sent out immediately thereafter via <https://worldtkd.simplycompete.com> to all subscribed clubs.

Method of Competition – Recognized Poomsae

Single-Elimination System

This method of competition shall be applied only for the two individual divisions of U30 & U40 (Male and Female).

Cut off system

- **1st round (Preliminary; 20 or more contestants):** Two Poomsae in accordance with drawing, the best 50% proceed to the next round. If the number of contestants is odd, then the number will be rounded to make even. (E.g. if there are 25 contestants in the category, then 13 contestants shall advance to the semi-final.)
In order to keep the time schedule, very large categories can be split into 2 pools, each group performing on a different court. In that case the best 50% of each pool will advance to round 2.
- **2nd round (Semi-final; 9 to 19 contestants):** Two Poomsae in accordance with drawing, the best 8 athletes qualify for the final.
- **3rd round (Final; 1 to 8 contestants):** Two Poomsae in accordance with drawing.

Note: The individual, pair and team divisions up to 11 years – **Children** – will start from semi-final (9 and more contestants) or final (1 to 8 contestants) – There is no preliminary round (**No 1st round!**)
The organizer reserves the right to reduce the number of Poomsae to be performed in the preliminary and / or the semi-final round to one (1) form.

Procedure in Case of Equal Score – Recognized Poomsae

a) In case there is a tied score after the completion of the preliminary round at the last place of the best 50%, respectively on the 8th rank of the semi-final round, the higher points in presentation will be the determining factor for advancement to the next round. If this score is equal as well, all athletes in question will proceed.

b) In case there is a tied score after the completion of the final round on the rank 1, 2, or 3, the contestant who is awarded more points in presentation shall be declared the winner. In case the score is still tied, then the one who has higher total points (including highest and lowest points) shall be the winner. If it's still tied, then a rematch between the contestants in question shall be conducted. The referee will decide on the Poomsae to be performed (in any case one of the compulsory Poomsae).

Categories – Freestyle Poomsae

Age categories are based on the year of birth (explanation see Recognized Poomsae).
